Rich:

Yes, order the appraisal ASAP. I just called Tom, and he said go!

Marcus,

We received the box of environmental info . We'll be sending it to our environmental person to review. Don't know if we'll need anything else at this point. Do you want us to proceed with ordering an appraisal? We could request bids, then get back to you on cost and timing before actually engaging the appraiser. Just let us know how you want us to proceed.
